

School Accommodation

All families received an email last week regarding school accommodation. It provided details of the most recent correspondence from the Department of Education, as well as feedback from meetings with local politicians.

The Board of Management, and the accommodation working group, will publish a timeline of expected milestones and school actions to be taken. This will be sent out to all families on Monday, along with a plan for a School Action Day that will be taken on **Thursday 6th February**. Please read this carefully - it is important that you are all fully informed and it is important that all members of the school community work together to progress this.

Please remember to keep our school accommodation on the agenda if you are talking to any political candidates who are canvassing in the area.

You could ask them:

1. When will our school be built?
2. How will they ensure there are no further delays with this?

Choir – Peace Proms

Best of luck to our 3rd class choir who will be performing in the Peace Proms concert on Saturday 1st February in the RDS.

We are very proud of you!
